

KC INDUSTRIAL MARKET EXPECTED TO REMAIN STRONG IN 2015

Fourth quarter reports by commercial real estate firms indicate the U.S. industrial market finished strong in 2014 and predict a healthy 2015. The Kansas City region expects similar results with a healthy automotive sector and distribution presence. [Read more](#)

KC INTERMODAL RAIL PROVIDES STRONG ADVANTAGES

The American Journal of Transportation recently reported the significance of markets with intermodal connections, highlighting Centerpoint KCS Intermodal Center and BNSF's Logistics Park Kansas City "confirming Kansas City as a major logistical hub."
